House Appropriations Request FY 2010

Project Name: Zebulon Municipal Complex Energy Management Improvements
Recipient: Town of Zebulon, N.C.
Recipient Address: 1003 N. Arendell Avenue
Recipient City: Zebulon
Recipient State: North Carolina
Recipient Zip: 27597

Amount of Request: \$165,312.00

Explanation of the request:

The requested funds will be used to replace 20 year old light fixtures and ballast in two of Zebulon's maniple buildings.

The buildings, originally constructed in 1907 and 1954, will be refitted with new, state-of-the-art fixtures that are more energy efficient. The Town expects that these improvements will significantly reduce the energy costs associated with operating the two buildings, which collectively provide 34,339 of work space. The project will be advertised, put out for bid, and awarded within 90 days of the projects approval.

In order to offer more opportunity for public scrutiny, I have posted information on each project request submitted to the Appropriations Committee at the time the request was made.
